

ILLUSTRATION Program

Become an Illustrator, Character Designer, Graphic Designer, Package Designer, Web Designer, Storybook Illustrator, Comic Illustrator, Animator, Game Character Designer, CG Designer, Art Director or more!

2-Year Course: **ILLUSTRATION** イラストレーション科

Spend an engaging 2 years studying a diverse mix of illustrative styles and obtaining mastery over various drawing techniques. Animation is not included in this course's curriculum, however like our 3-year illustration course, students in this course will not only refine their artistic expression but also build a strong foundation in graphic design, giving graduates the edge in the professional market as multifaceted illustrators and designers.
