

MANGA Program

Become a Manga Artist, Manga Assistant, Comic Illustrator,
Character Designer, Light Novel Writer, Illustrator, Animator or more!

2-Year Course: COMIC ILLUSTRATION

マンガ科 コミックイラスト専攻

Our comic illustration course is specifically tailored to improve your artistic abilities as a whole and provide you with a mastery in the style of manga, anime and game illustration. Students in this course will excel at using both analogue and digital techniques to create entire worlds between the edges of a single piece of paper or screen. Study in depth a genre growing more popular around the world and make your dreams a reality!
